TO: West View Shores Civic Association Shareholders
FROM: Valerie Woodruff, President WVSCA
RE: Share Certificates Update

In the winter newsletter, we stated that new share certificates would be issued to all shareholders; however, there has been a change regarding the certificates.

We were under the assumption that all existing share certificates would need to be reissued. That is not the case.

The status of share certificates is as follows:

Existing share certificates are valid and do not need to be replaced. If you have lost your share certificate and would like a replacement issued, please contact me. vwoodruff7@comcast.net or 302-242-1573.

Share certificates are being printed for those property owners who have purchased shares over the past few years and will be issued soon.

I apologize for the confusion regarding this issue. Please be assured that the board is working to get our records in order as we move forward. Thank you for your patience.
