Water Project Update

As of July 2, 2018

- All homes that have expressed interest in connecting to the water system have been connected. Well abandonments (Phase 3 of the project) are still underway.
 - Residents do not need to be present during the well abandonment.
- The Town of Cecilton has switched to a new water billing system, and the bill will now arrive in the form of a post card. This new system will correctly itemize the hydrant fee and correct the issue seen by residents who have paid the hydrant fee in full.
 - Any questions or concerns regarding your water bill can be directed to Teresa Quinn at (tquinn@ceciltonmd.gov) or 410-275-2692.
- To receive notifications from the Town of Cecilton regarding the community water system please sign up for the CODE RED notification system [HERE](https://www.ceciltonmd.gov) (<https://www.ceciltonmd.gov>). The notification can be sent via text, voicemail, or email to alert users.
